

Open Enrollment for 2012-2013

Available **only** at Hart High, Golden Valley High, and Placerita Junior High Schools

William S. Hart UHSD has identified Hart High School, Golden Valley High School, and Placerita Junior High School as having space available to accommodate open enrollment for **students residing in the William S. Hart UHSD area** in the fall of 2012-2013. If you would like for your child to be considered for attendance at one of these designated schools instead of your child's designated school of residence, please see the registrar at your school of residence and request an open enrollment form. Requests will be collected throughout the month of February. Students applying for open enrollment will be accepted unless the capacity limit for a particular school is exceeded due to a high volume of requests. In that instance, a random lottery will be used to select students for enrollment. You will be notified by mail as to the status of your child's acceptance by the end of March, 2012.

Approval of an open enrollment transfer does not ensure athletic eligibility. Generally, a student will be restricted from Varsity participation at the new school for one calendar year.
