

Good morning Placerita Parents

Recently, staff, parents and community members have expressed concern over unsafe practices taking place during drop-off and pick up from school. This concern became very real Friday morning when we almost had a child hit by a motorist who entered the parking lot to drop of their child.

In order to ensure a safe and orderly drop-off and pick up process, we ask you to observe the following guidelines.

On Dalbey Avenue:

- (1) Use the Valet Line in the front of the school
- (2) Do not drive into the parking lot to drop off your child

On 16th Street:

- (1) Do not Double Park as you wait at dismissal
- (2) Do not conduct a U-Turn in the middle of 16th street

Never encourage a child to cross the street outside of the designated cross walk area.

We are working with the Sheriff's Department to ensure that the vehicle code is enforced.

Thank you for working with us to ensure that motorists and students remain safe.
