

DROP OFF POLICY

2010

Due to the elimination of the receptionist position, we are no longer able to accept drop-offs for students. Parents and students are urged to organize homework, lunch money, ID cards, projects, jackets, etc. the night before so a student has all they need for the school day.

If a student forgets homework or projects, we can place them in the teacher's box. If a student forgets PE clothes, they can use loaner clothes for the day. At no time can we accept fast food lunches, birthday balloons, flowers, etc.

We do recognize that on rare occasions there will be emergencies, and in those instances we would like to help you.

Examples of emergencies: Forgotten medication, lunch money forgotten one time (not a regular occurrence)

Sierra Vista is not responsible for any items dropped off.
